

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

The Department of Natural Resources is providing this report to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3. The application files are available for public inspection at the Division of Water's office in Indianapolis. Please contact the Division's Technical Services Section at (317) 232-4160 or the toll free number 1-877-928-3755 to make an appointment for file review. Photocopies may be made for a nominal charge of \$0.10 per 8 1/2 " X 11" copy.

A pre-action public hearing on an application may be requested by filing a written petition with the Director, Division of Water:

Michael W. Neyer, P.E., Director
Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

For a petition to be considered valid it must:

1. Contain the typed or legibly printed name and complete mailing address of each petitioner;
2. Be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. Affirm that each signatory to the petition satisfies the requirements of item 2; and
4. Identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted.

A person may request that the Department provide written notice of its action on an application by filing a written request with:

Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

The request must identify the application by either the application # or the applicant's name and the project description.

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

- Application # : FW-24905
- Stream : Spring Creek
- Applicant : Lon & Belinda K McDonald
1533 North Chamberlain Street
Terre Haute, IN 47803-9514
- Description : A low water crossing will be constructed over Spring Creek to provide access to a home site, forest, and possible future land use as sugar camp, ginseng harvest, and logging. The crossing will consist of 4 or 5 2' diameter plastic pipes surrounded by #8 limestone rock to 1' above the top of the pipes. This will then be encased in 1' of concrete to form the roadway. The sides of the crossing will be tapered to allow flow over the structure during high water events. Details of the project are contained in information and plans received at the Division of Water on July 1, 2008.
- Location : Approximately 2050' north and 750' east of the 3 North Road and 49 East Road intersection
near Terre Haute, Otter Creek Township, Vigo County
NE¼, NW¼, SW¼, Section 7, T 13N, R 8W, Rosedale Quadrangle
Quad Code: 3908753
UTM Coordinates: Downstream 4381768 North, 470064 East
- Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

- Application # : FW-24906
- Stream : North Fork Salt Creek
- Applicant : *Indiana Department of Transportation
Richard L Phillabaum
100 North Senate Avenue, Room N642
Indianapolis, IN 46204-2216
- Description : The intersection improvement project begins on State Road 46 approximately 615' northwest of the intersection with Parkview Road and ends approximately 475' southeast of the intersection. The total project length along State Road 46 is approximately 1,090' . While wider pavement, shoulders, and an obstruction free zone are provided on the approach, no turn lanes are being added. Since the project involves improvements to existing road and bridges, it will not impede existing flows or raise the base flood elevation. All areas within the construction limits which are disturbed will be reseeded and established with vegetation. All trees within the existing right of way will be removed. Details of the project are contained in information and plans received at the Division of Water on June 30, 2008.
- Location : Beginning at the downstream State Road 46 stream crossing and continuing southeast along State Road 46 for approximately 1,090' to the upstream State Road 46 stream crossing
DOWNSTREAM: near Nashville, Washington Township, Brown County
SW¼, Section 20, T 9N, R 3E, Nashville Quadrangle
Quad Code: 3908622
UTM Coordinates: Downstream 4339347 North, 566613 East
UPSTREAM:
UTM Coordinates: Upstream 4339190 North, 566949 East
- Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10
